Parent Newsletter – Mid-Year Schedule

Mid-Year Assessments: Mid-year assessments will occur throughout the week. Alhamdulillah, Teachers and pupils have been working hard over the past week to prepare for the internal assessments. We also conducted assemblies with pupils last week and gave reminders. We decided for internal preparations for these assessments so that it is a better reflection of in-house standards. We will use these results and peer-on-peer reports to enhance quality and standards and make improvements where needed to reach end of year targets.

Please find mid-year schedule below:

Parents Evening: We have decided to trial Parents Evening in Jan every year. This decision has been led by the experience of having lower number of attendees in previous parent's evenings. Parents Evenings have historically been conducted on the last day before Dec holidays. This has led to many parents being unable to make it due to family holiday bookings. We will pilot Jan for Parents Evening this year and subject to success, it may become the staple date. Parents Evening is on: Thursday 25th Jan 2024.

Palestine Fundraiser: Alhamdulillah, with support of all stakeholders, we were able to raise approximately £10,000. Half of this figure has already been forwarded to Palestine. Please visit this link for more information regarding fund allocation: www.hendonmosque.co.uk. We will be forwarding the other half to Afghanistan and update parents when possible. We have also displayed the fundraising certificate on our Madrasah website [here](#).

Hometime Security: We extend our appreciation to all parents regarding their support in the success of our hometime safety protocol. There has been rare instances of some parents attempting to enter against the one-way system. We kindly request all parents to strictly refrain from this as it puts increased pressure on hometime staff and is against Islamic Adaab & etiquette.

Lastly, we make Duaa' for the Muslims of Gaza and beyond. May Allah s.w.t. alleviate the suffering of all, grant Hidaayah to humanity and bless us with stability, peace, Khayr and Aafiyah. We also make Duaa' that everyone has a blessed holiday period (Aameen).
